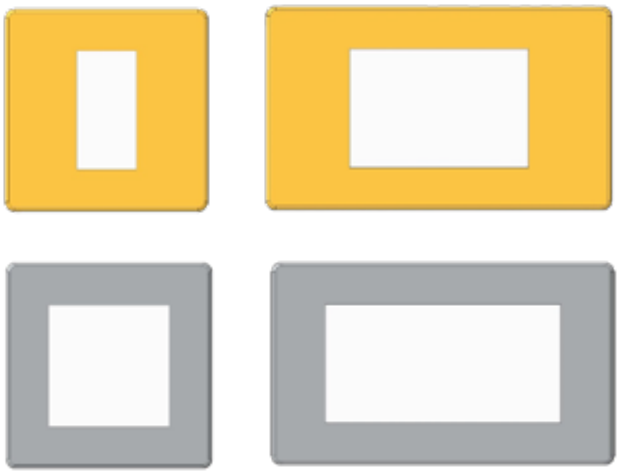
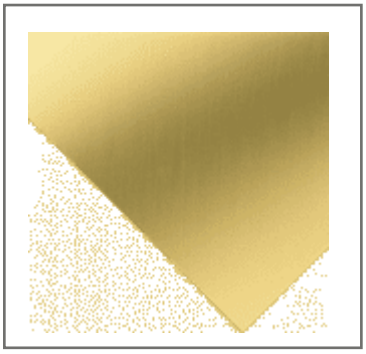
Penthouse	Polished Brass	Euromod Plates

Penthouse Collection Euromod Plates





Specified in Polished Brass

Range Overview

The Penthouse Collection offers a sleek flat plate, designed for use with our grid mounting interchangeable switches, sockets and modular interiors.

As the name suggests, Penthouse is the most luxurious collection of electrical accessories available from Wandsworth, bringing the highest level of style and design to every room.

The Penthouse Collection of plates use a hidden clip-in style, attaching securely to the rear mounted grid. Earthing of the front plate is by means of a scraping earth fitted to the adjustable grid.

Features

- Slimline plate profile 3.5mm
- High quality brass plate

Finishes

The Penthouse Collection is available in the following standard hand-crafted finishes:

Antique Bronze - /AB , Antique brass - /AS
Bright Nickel - /BN1 , Dark Antique Bronze - /DAB
Matt Black - /MB , Polished Brass - /PB
Satin Nickel - /SN3 , White - /W
White Etched Prime - /WEP

All finishes are manufactured using 1.5mm solid brass plate that is individually inspected by the Wandsworth Group, a sign of the high standard we have set for The Penthouse Collection.

Use a 'soft dry cloth' when cleaning front plates.

Plate profile thickness from wall is 3.5mm

Dimensions

The Plates used throughout the 'flush fitted' Penthouse Collection are available in the following sizes:-

86mm wide x 86mm high x 3.5mm thick—1 & 2 Euro

146mm wide x 86mm high x 3.5mm thick—3 & 4 Euro

NOTE: During installation, ensure the box cut-out is accurate as the box being installed must be a tight fit.

Range designed to suit standard metal back boxes to BS 4662. Not suitable for fast-fix/dry liner or surface boxes.

Ordering

All Penthouse plates require a fixing grid—Please contact customer services for latest grid part numbers.

When ordering please state the catalogue number and the plate finish required.

Please see Wandsworth catalogue for more information.
