Infinity	Polished Brass	1-4 Gang Dimmers

Infinity Collection 1-4 Gang Dimmers

Specified in Polished Brass

Description

Rotary dimmers, suitable for use with both LED and incandescent lighting. Push on/push off switch with rotary control dimming. They have two-way switching that may be used with a normal two-way switch elsewhere. Please note the additional two-way switch will have on/off function only and will not dim from the second location.

Standards, Approvals & Directives

Comply with
BS-EN 60669-2-1
CE Marked

Features

- Push On/Push Off, rotary dimming control
- All products clearly printed with BS No's, ratings, etc
