Penthouse	Polished Brass	45amp Double Pole Switch

## Penthouse Collection 45amp Double Pole Switch

Specified in Polished Brass

### Description

A range of 45amp Double Pole switches have been designed for the connection for domestic cookers and power showers.

All units have been designed with ease of installation in mind and have the advantageous design features and quality of The Penthouse Collection, complete with amber neon indicators.

### Standards, Approvals & Directives

Comply with  
BS EN 60669

### Features

- The double pole switch has 3mm contact gaps for isolation.
- All terminal and fixing screws are operated by one-sized screwdriver.
- White or Black rockers
- All neon indicators are integrally wired into the product and do not require separate connection when installing.
