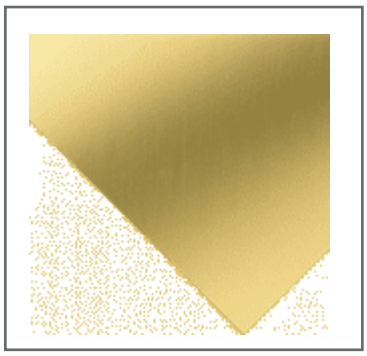
Classic	Polished Brass	2 & 5 Amp Socket Outlets

Classic Collection 2 & 5 Amp Socket Outlets



Specified in Polished Brass

Description

A range of round pin socket outlets have been designed for ease of installation, all having the superior quality and design features of the Classic Collection.

Standards, Approvals & Directives

Conforms to BS 546.

Features

- Top access terminals making wiring easier and quicker.
- Shutter safety feature.
- Terminal marking present on socket housing for clearer identification.
- Black and White housings available to compliment plate finishes.
- Automatic primary switching on insertion of plug

Applications & Uses

Our 2amp and 5amp socket outlets can be used for lighting circuits that demand low amperages.

Availability

Our 2amp and 5amp un-switched sockets are available in Black and White polycarbonate moulded housings and are supplied as interior with grids throughout Classic, Infinity, Dimension and Penthouse Collections or as a complete assembly with a hinged lid.

All plate finishes available. Please see the Wandsworth Catalogue for more information.

Finishes

All finishes are individually inspected by the Wandsworth Group, a sign of the high standard we have set for The Classic Collection.

Ordering

Both the 2amp and 5amp socket outlets are available with all the benefits of the Classic Collection. When ordering please state in tabular form your requirements for plates/finishes, interior assemblies and boxes.
