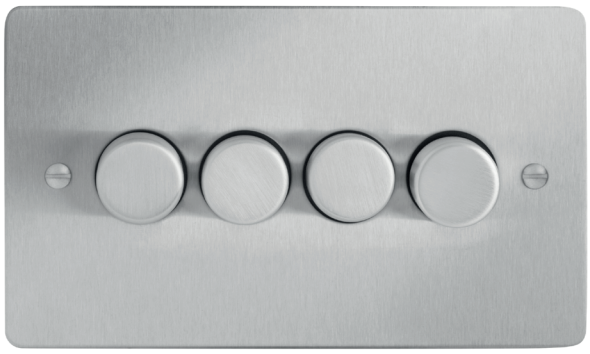
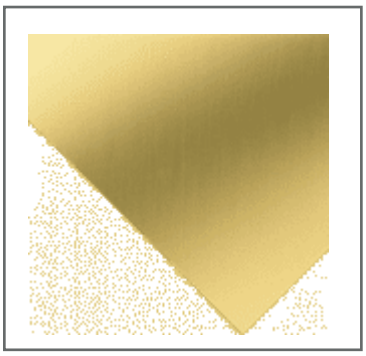
Classic	Polished Brass	Dimmer Switch

Classic Collection 1-4 Gang Dimmer Switch





Specified in Polished Brass

Description

Rotary dimmers, suitable for use with both LED and incandescent lighting. Push on/push off switch with rotary control dimming. They have two-way switching that may be used with a normal two-way switch elsewhere. Please note the additional two-way switch will have on/off function only and will not dim from the second location.

Standards, Approvals & Directives

Comply with:
BS-EN 60669-2-1
EN-55015
CE Marked

Features

- Push On/Push Off, rotary dimming control
- All products clearly printed with BS No's, ratings, etc
- Complementary control knobs are supplied with the cover plates
- Available in all The Classic Collection finishes
- 1 - 4 Gang available
- Dimmer modules ordered separately please see individual data sheets for details

Finishes

All finishes are individually inspected by the Wandsworth Group, a sign of the high standard we have set for The Classic Collection.

Ordering

When ordering please state in tabular form your requirements for plates/ finishes, interior modules and boxes. Note: Separate grids are not required .

E.g. 319/ASI , 3 x RAD , 1703/G

Where /ASI = plate/knob finish in Antique silver

Larger/multi-gang dimmers are available to special order and quota+on. See sheet 2 for catalogue numbers.
