

The Penthouse Specials Collection

Overview

A number of Penthouse specials have been designed to offer bespoke arrangements. This gives the opportunity to grid mount multiple electrical accessories from data outlets to 13amp socket outlets, on a single sized plate.

This document is to be read in conjunction with The Penthouse Collection data sheet.

Finishes

The Penthouse Specials are available in all the finishes offered throughout the standard Penthouse Collection. Please refer to the Penthouse catalogue for a full list of hand crafted and hand polished finishes.

Plate Dimensions

Various plate sizes are available throughout the Penthouse Specials that adopt all the design features of The Penthouse Collection.

The following sizes are available:

- 8 Gang Square** - 287mm x 182mm
- 6 Gang Horizontal** - 86mm x 422mm
- 6 Gang Vertical** - 146mm x 272mm
- 4 Gang Horizontal** - 86mm x 287mm
- 4 Gang Square** - 146mm x 182mm
- 3 Gang Horizontal** - 227mm x 86mm

Special configurations are available in our standard 1 and 2 gang boxes.

Restrictions

Throughout The Penthouse Specials Collection there are certain limitations that restrict certain layouts and arrangements. Equal spacing between different units cannot always be guaranteed due to the design of our standard back boxes.

Please contact Wandsworth for all special size requests.

Ordering

When ordering please state in tabular form your requirements for plate/finish, interior assemblies and boxes.
