ELECTRICAL

PRICE LIST

2023

valid until 31st December 2023

Wandsworth Electrical was established over 100 years ago in 1904 in Birmingham. We have been designing, manufacturing and supplying luxury electrical accessories ever since and our ethos remains the same: high quality products handcrafted here in the UK. We take styles from the past and evolve them into contemporary designs, adding the technology of the future to create ultimate home comfort.

The Wandsworth Electrical Accessories Price List is organised by Collection. Please refer to pages 4 and 5 to review available finishes.

FINISHES	4
FINISHES MATRIX	5
PENTHOUSE COLLECTION <small>Wandsworth's most exceptional achievement; our sleekest, most slimline screwless plate. Made exclusively out of brass.</small>	6
INFINITY COLLECTION <small>our original slim and screwless solution, available in all our finishes.</small>	8
CLASSIC COLLECTION <small>our traditional and timeless flat plate with gently rounded corners. Our most flexible collection and available in all our finishes.</small>	11
CLASSIC SQUARE EDGE COLLECTION <small>the traditional, understated design of our Classic Collection but with a square edge design.</small>	13
HERITAGE COLLECTION <small>our Heritage Collection encompasses a line of accessories influenced by three unique historical eras. The Victorian Collection is characterised by a stepped edge; beaded edging reflects the Adam era; and a rope edge conveys the spirit of the Georgian age.</small>	15
CRYSTAL COLLECTION <small>our transparent plates are designed to make the most of your wall coverings and give an overall subtle effect.</small>	17

USING THIS PRICE LIST

This price list includes our core products, with prices listed in complete units for quick reference. For part numbers and further product details, please refer to our full electrical accessories catalogue, speak to our Customer Service department on +44(0)1483 713400, or email us at sales@wandsworthgroup.com.

Rocker and toggle switches are listed with all 2 way or all intermediate functionality as standard. For other switch functions such as double pole, or to mix and match functionalities, please refer to the 'choose your plate' and 'choose your switch types' section of the price list within each Collection.

Rotary dimmer switches are listed with dimmer modules suitable for LED at 5-120W as standard. For other dimming types, please refer to the 'choose your rotary dimmer plate' and 'choose your switch functions' section of the price list within each Collection.

Modular outlets and Euro modular outlets are also available for you to mix and match as required. Please refer to the 'choose your plate' and 'choose your modules' section of the price list within each Collection.
