Classic	TBC	Architrave 1-4 Gang Rocker Switch

Classic Collection Architrave 1-4 Gang Rocker Switch

Description

Architrave rocker plate to suit Wandsworth rocker switch/modular interiors. All units have been designed with ease of installation in mind and have the advantageous design features and quality of the Classic Collection.

Features

- All switch terminal and fixing screws are operated by one-sized screwdriver.
- Metal rockers to suit plate finish, alternatively available in black or white plastic rockers.

Ordering

When ordering please state in tabular form your requirements for plate/finish, switch type/finish and box.

Note: Plate fixing screw positions have non-standard fixing centres so we strongly recommend using Wandsworth boxes.

Product ordering should include plate, switch and box. Eg.

Plate: 282/PB

(2 Gang plate in Polished Brass)

Switch: 11/PB 2-off

(2 way switch with Polished Brass rocker, black frame)

Box: 1716

(2 gang flush box)
