Penthouse	TBC	6 Gang Rocker Switch PLATE & GRID

## Penthouse Collection 6 Gang Rocker Switch PLATE & GRID

### Description

A 6 Gang screwless rocker switch plate and grid to suit Wandsworth switch/modular interiors. All units have been designed with ease of installation in mind and have the advantageous design features and quality of the Penthouse Collection.

### Features

- All switch terminal and fixing screws are operated by one-sized screwdriver.
- Metal rockers available to suit plate finish, alternatively available in white or black plastic rockers.

### Ordering

Rocker switches and back box are not included in the part number. Part number includes front plate and grid.

For rocker switch types see catalogue or rocker switch data sheet
